BENEFIT RIDE

The June 4 "Ride & Shine" will tour classic Kentucky country roads and raise funds for historic Sunrise Children's Services. This **FOURTH ANNUAL** biker rally will also generate public support for Sunrise's leadership and caregivers who care for an average of more than 1,000 clients every day.

The rally will officially depart the parking lot of Junction City First Baptist Church following the morning worship service. The rally's bike route includes a prayer stop and salute at Sunrise's Cumberland Adventure Program in Bronston and back to Danville for a visit to the Woodlawn Campus.
